

Season 2018 – April Newsletter

Umpires Ahh!!!!

- .. Did you see the mistakes he / she made
- .. I can't believe them not getting in the right position time after time
- .. If only they kept up with the game

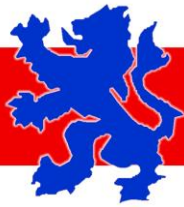

yes the above may be true for some umpires during some games but they are just as relevant to players from our teams during each game, yes our players make mistakes in each game and yet we don't scream from the sidelines at them for it, we don't question every time our players lose the ball, miss a shot, miss a tackle, etc, etc - so why do we think it should be different because they are an Umpire.

By all means play hard on the ground, barrack strongly from the stands but do so in a respectful way. If you hear a Canterbury member or supporter making unnecessary remarks from the ground, sidelines or in the stands re the Umpiring, have the courage to suggest to the person that it is inappropriate.

remember - **Respectful Players** (including parents, carers, supporters) lead to a **Respectful Team** which combined with the other Canterbury teams creates a **Respectful Club**. We all have an important role in achieving this.

Team Sheets

Coaches and managers are reminded to write team and player details clearly in the score books which saves the club secretary following up with teams later on when Hockey Tas ask questions re whether a player is registered, who scored the goals etc.

Term 2 Stick2Hockey program (age 6-11)

Canterbury's Term 2 Stick2Hockey program (age 6-11) commences on Saturday May 26th, with training sessions starting Wednesday 23 May 5pm - 6pm THC3. For more information visit the website or contact Lisa Jotic lisa.jotic@gmail.com.

Umpiring

Speaking of Umpires - our club has very few of them. In fact we really don't have enough available each week for the teams we enter across all grades – seniors and juniors.

This is very disappointing. We only have a couple for A Pool, with none for Premier League men.

Yes we can use excuses like some of our A Pool players have left this season otherwise we would be fine, but really we should have several which means you only need to umpire every 4 or 5 weeks unless you really want to do more.

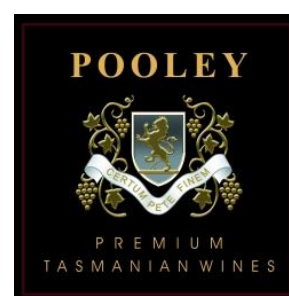

So consider what role you can play to assist the club in overcoming this issue. If you are an A Pool player then you have the basic knowledge of hockey to start umpiring. We will develop your skills in this area.

Don't be surprised if a Committee members requests you to umpire or match manage. After all being a member of Canterbury is more than just turning up to play each week, there are lots of other roles and functions that need to be undertaken to enable you to play. If you aren't already involved with Canterbury in a capacity other than a player, how about taking on a role, just ask a Committee member.

Player Safety – Short Corners

Face masks are available for all senior players for short corners.

For Juniors facemasks **MUST** be worn for short corners. Males should also consider wearing a protective box just as in cricket.

2018 Playing Subs

The Committee have been working on the 2018 Playing Subscriptions for each team. Factors considered include the pre-season activities, number of training sessions and games. The club has set the 2018 playing subs at

Premier League and 1st Grade – Men and Women	\$680
2nd Women and 4th Grade – Men and Women	\$480
5th Grade - Men	\$460
2nd Grade Men	\$430
U13-U18 – Boys and Girls	\$280

If you pay your Subs in full before Friday 8th June a \$30 discount will apply off the above team amounts.

If you run a business and would like a Subs tax invoice made out to your business instead of you contact the Treasurer
treasurer.canterburyhc@gmail.com

Fees are yet to be set for Stick 2 Hockey.
