## Brownlow Cup

Canterbury Hockey

Brownlow Cup - honours shared!

In a nail biter the Brownlow Cup will be shared between Canterbury Hockey and DiamondBacks Hockey Club!

The boys game earlier in the day was a solid win by Canterbury 4-0 , with star Sam McCulloch snagging a hatrick.

In the girls game at 6pm DiamondBacks evened the count following a nil all score line at half time. DiamondBacks scoring 4, including the 4th in the last 3 seconds of play to tie for the cup. Ange May securing a double.

Sam McCulloch was a worthy recipient of the Geoff Collis Medal for MVP, as was Lewis Short.

Emily Donovan and Isobel Sharman were the Vanessa McDonald MVP's in the girls after outstanding games.

On hand to present the Brownlow Cup were the late Bert's Grandson Tim and wife Chelsea.

Bert's contribution to both clubs, and hockey in Tasmania was exceptional!

A pool men report – season 2018 so far .....

Our A pool men have made a positive start to the season. For the first time in many years, the boys find themselves inside the top 4 in both PL and First grade at the halfway point of the season.

Under the leadership of new coach David (Frog) Budgeon and Glenn (Cocky) Lucas, and the co captaincy of Sam (Smac) McCulloch and Simon (Spud) O'Connor, the boys have begun developing a disciplined and structured game style which is beginning to pay dividends on the score sheet.

New players coming into the group have added fresh impetus to our push for finals action. Centre Half Brenton Watson joined us from Victoria several weeks ago. He has added considerable skill and composure to our already strong midfield and has a pleasing ability to bob up and score high quality goals. James Sexton, formerly of South Launceston, has added great energy in the front half, along with Craig Donovan.

The other positive has been the rapid development of many of our younger players. Alex Hogan Jones has cemented a starting spot in the Premier League team, despite only being 16. Miles McTaggart (16) Vin Harman (15) and Tom Rasmussen(14) have all had chances at the top level and will continue to improve and put pressure on older players for their spot.

In the 1st grade team, a similar setup has allowed a smooth transition for players moving up to the top level. We continue to introduce quality young players to the senior setup. Lachie Rogers and Luke Palmer (both still U14) have been exposed to senior hockey for the first time. Watch out for these lads to make a splash in a year or two!

This week's game against Uni is an opportunity for teams in both senior grades to put some space between themselves and the teams in 5th spot, setting us up nicely for the run into the last round.

If you haven't watched senior hockey before, get along and support the red men and women. They set a great example for our juniors and would love some vocal support.
