President's Report

Well another season has passed quickly. For our Girls team another difficult year not helped by the change in age groups this year from U12, U14 and U16 to U13 and U15. Only one of the three Girls teams made finals that being the Under 18s. The Boys had a more successful season with all three teams (U13, U15 and U18) making Grand Finals, with U15s winning their grand final. A great achievement for all involved.

A big thank you to the various Coaches and Managers of the Junior sides (listed later in the Yearbook). It is a large commitment attending to training and matches over the long season. It is something appreciated by the players and the club.

Again during season 2018 Canterbury had a number of representatives (listed later in the Yearbook) in various State Junior teams playing in national underage championships. These are always great learning experiences for these players playing against the larger hockey states NSW, Vic, WA, Qld and also enable them to build strong friendships with players from other local clubs also in the Tasmanian state teams. These experiences and skills developed during the national championships assist in growing the skills and knowledge of all Canterbury junior players. A special mention to Premier League player Ian McHugh who has assisted various junior state teams as Physio.

We had three Junior players Mia Cooper, Chloe Abel and Tali Gee complete their hockey umpiring development program and were recognised for their efforts at the Southern Hockey Competition presentation night.

We also had several junior players umpiring senior and junior games during the year including finals and Grand Finals. Congratulations to Vincent Harman, Chloe Abel and Nellie Gillespie for this achievement and recognition.

A special thank you to our Junior Co-ordinators Karen Brook and Ella Harman. They were assisted by Lisa Jotic who organised the Stick2Hockey program over the whole of 2018 (as they play each school term) and to David Coombe, Christie Lucas and Matty Gee who arranged the Junior Development Program back in February and March ably assisted by a raft of the more senior Junior players and some seniors. Lastly thank you to Kirsty Palmer who not only assists in arranging all the Junior registrations but also arranges the selection of the Junior players for all teams for the June Long Weekend competition for Hockey Tas.

Thank you to our sponsors, without who's support would make hockey much more expensive, particularly those who have supported the Juniors being Ogilvie Jennings Lawyers (Junior Development Program) and Print Tasmania (Friday Night Lights).

President's Report

This season we also had Tas Sports Physio provide a new award being a Good Sport Award to a Junior who most exhibited the values of being a good sport. This was won by Bella Cox an U15 player. This supported our drive in 2018 of making Canterbury a Respectful club.

A big thank you to the various committee members who undertake a multitude of tasks to enable the club to and teams to function.

Congratulations to all award winners tonight and we look forward to welcoming you back in season 2019. Go Lions

Trevor Hill
President

WE NEED VOLUNTEERS !!!

**CANTERBURY HOCKEY CLUB REQUIRE
VOLUNTEERS TO ASSIST WITH THE VARIOUS
JUNIOR TEAMS FOR 2019**

PLEASE HELP US WITH FILLING THESE VACANCIES

JOIN THE COMMITTEE, COACH OR MANAGE A TEAM

**ASSISTANCE WILL BE PROVIDED AND NO
KNOWLEDGE OF HOCKEY REQUIRED
(EXCEPT MAYBE COACHING!!)**

**CONTACT YOUR JUNIOR COORDINATORS FOR MORE
INFORMATION**

Junior Co-ordinator Report

2018 has been a great year of hockey for the Canterbury Juniors!

Once again, the year started with the Junior Development Program which was enthusiastically attended by many of our juniors. Our Junior Coaches, ably assisted by several Premier League players as well as some of our older juniors worked together to teach new skills and consolidate the existing skills of the participants. The Program continues to be a successful introduction to the Hockey Season and is being planned bigger and better for Term 1, 2019.

There have been some changes to Junior Hockey in 2018. The Under 8's and 10's have been re-branded as "Stick 2 Hockey", with the games being played on smaller turfs to consolidate skills. The teams have progressed well throughout the year, and always seemed to be having fun. Our ongoing commitment to training has paid dividends, with increasing skills seen in all the players; and with several players transitioning successfully up to the Under 13 teams.

The age groups in Junior Hockey have changed this year to Under 13's, 15's and 18's. This was done to bring Tasmania into line with the mainland states. Overall this has been a successful transition for Canterbury with most teams having good numbers of players. We thank the younger players who have stepped up to help teams out as needed.

The boys' teams have had a very successful year with all three teams making their respective Grand Finals. It was an exciting day last Sunday with all the teams playing strongly and well in close matches. Unfortunately, the Under 13's and 18's weren't successful, but were gracious in defeat. The Under 15 players won their Grand Final against a team they'd never beaten before, which made the win all the more sweet.

The girls' teams have shown great resilience, strength and team spirit this year. They have had younger players for their age groups; and have played stronger, older teams. Canterbury is proud of the way the girls have continued giving their all to the game, and know that 2019 will be a more successful season.

We would like to thank all the Coaches and Managers who have donated their time to ensuring our Juniors have had an enjoyable season in 2018. We would also like to thank the parents who have supported their children throughout the season and shivered through their share of chilly mid-winter games.

We're planning a great 2019, so share the word and bring your friends along for another great year at Canterbury.

Karen Brook and Ella Harman

Junior Coordinators

Young Lions

For the 3rd year in a row the club ran its successful junior development program the Young Lions.

Proudly sponsored by Ogilvie Jennings

The “Young Lions” program provides an opportunity for our juniors to improve their hockey skills and to increase their enjoyment of hockey. Open to all juniors it ran for 5 weeks during February and March. This was a great way for kids new to hockey to have a try and for the returning players a chance to get some pre-season training under their belt with specialist coaching.

Once again it was a huge success with nearly 50 juniors taking part - many new to the sport. The program was co-ordinated by David Coombe, Christie Lucas and Matty Gee with assistance from many more. Thank you to all the senior players and coaches that gave up their time to help train the future of our club. Your assistance has ensured the success of this program.

Stay tuned for an even bigger Young Lions Program for 2019.

TRUSTED ADVISORS

Stick2Hockey

The 2018 Stick2Hockey kids had a fantastic year in 2018. Building on last year's popularity we had around 50 kids participate in Mini5s (1/8th field), Super6s (1/4 field), and Hockey7s (1/2 field) in 5 week rosters each term.

Training was held on Wednesdays and we focused on developing foundational hockey skills in a game-based environment. Fruit Salad, Octopus and Stuck in the Mud were all firm favourites. Training sessions were a lot of fun and the kids were a pleasure to coach. It has been very rewarding to watch the kids build their hockey skills over the year and develop a love of the sport. The qualities possessed by this group promise great things to come for Canterbury, and I look forward to watching their transition into full field hockey over the next few years.

Canterbury had the largest contingent of players in the Stick2Hockey roster, and the 'smurf turf' was a complementary background to the sea of red and blue on Saturday afternoons. Games were always played in good spirits and kids demonstrated great camaraderie and displayed some serious hockey talent!

A HUGE thankyou to all the coaches and support staff for 2018: Ryan Brook, Adam Coombe, Ellie New, Camille O'Connor, Ollie Shugg, Nigel McCormick, Nellie Galloway, Tali Gee, Brooke Appleby, Christy Dorward, Luke Palmer and Lachie Rogers and anyone I have missed! Plus a massive thanks all the parents who brave the cold weather each week and support their kids in pursuing hockey as a sport – the rewards will last a lifetime!

YOUNG LIONS JUNIOR DEVELOPMENT PROGRAM Re-Commencing for 2019

Communications will be sent out later in the year on the program for 2019

Under 13 Boys

GRAND FINALISTS

What a great season Canterbury U13 Boy's! I have been impressed by a team of mixed ages, from 8-12. The older boys have shown patience & leadership and I have been impressed by the courage of the younger ones to step out onto a full field game of hockey. You must be one of the most coachable teams in your age group! As minor premiers you are well prepared to step into Div 1 next year with the individual basics of hockey, plus a great start at ball distribution and defensive/attacking tactics. Team hockey is all about bringing what you learn in training to a game, under pressure and with confidence. At the start of the year I asked you all to play 'team', 'talk' and take the game to your opposition with 'width' & depth'. It's not a small achievement for you all to make this happen on the ground, you played well and fought hard right until the final whistle. You all deserve the respect your supporters and opposition have for you - walk proud!

Under 13 Boys

The Team

Travis Gudgeon – Thanks for working hard to return from your injury and regain confidence. You clearly possess the keeper ‘mindset’, this shows when it counts. This season is further proof of your serious talent.

James Baird – You are sharp as a tack, I have relied your insight and growing confidence at the sweeper role. You have uniquely strong timing under pressure.

Jack Sutherland – Canterbury is so fortunate to have recruited you! There is no hiding how much you love the game and your radical learning curve through the season. I can build a team around you.

Harry Gregory – I can’t help but thinking you are channelling Ric Charlesworth with that headband. You’re fast, talented and we love the sound of your stick when you hit the sweet spot.

Peter Mackey – Our youngest player. So confident one on one, and always on the spot as the high striker/Ninja!

Edward Broadby – It’s great watching your basics get cleaner and sharper. There are not many players that a coach can ask to run the full field – we relied on you all season, your work rate & fight. Massive effort Ed.

William Enkelaar – Now a Canterbury fixture! You are versatile on strike and in defence, where I put you on field always has effect. If you hold on to this as you get older you will be a rare breed for teams.

Mitch Galloway – Comic relief – yes you are hilarious! – don’t give this talent away. I have also met your serious side, strength and focus when it counts. You are a strong hockey player & team man. U13 will miss you big time as you go into 15’s

Lachlan White – Top Goal scorer for the season! Go get em in U15’s. Thanks for your patience and team focus through the season – we are going to miss your mission & maturity in 2019.

Pippin Gee – Well done son! This season saw you playing position strongly, some great goals and it was great to see you hanging out with your hockey gang. Always growing as a player.

Cody Innes – Our motivator, Mr Reliable. What a massive achievement this year of hockey has been for you. We benefited, all season, from your leadership on field and in training. Appreciated - Cody

Under 13 Boys

Ethen Datlen - Welcome to the team fella! You walked past your nervousness to clearly make a big difference on field – every time. Great start to the full field.

Josh Rawson – Clearly another hockey addict in the making. You have great, channelled aggression, - focused and direct. A warrior.

Liam Cooper – We all appreciate your off field ‘intel’. You walk into the change room with an excitement that is infectious. You are seriously reliable when it counts – you held our left side defence in the tough games – well met.

Matty Gee (Coach)

Under 13 Girls

(sorry this is last years photo as this years was missing in action)

This year the under 13s players were Abi, Adelaide, Anna, Ava, Bessie, Edie, Emma, Esther, Fredi, Hannah, Jasmine, Maddy, Rhiannon, Sophie and Yanna. Jordanna joined us for training and should join the team in 2019. We had three sets of sisters Abi/Soph, Adi/Fredi, Jaz/Esther and we welcomed Maddy, Emma and Rhiannon into the team. Ryan Brook was assistant coach and we had Ellie, Lisa, Mia and Lucy help out during the season as well.

The competition was tough with the top two teams in the under 13s roster scoring (on average) 4-6 goals per game and fielding a number of state representatives.

Our team finished 6th out of 7 teams, winning 2 games, drawing 2 games and just missing out with some very close games. They scored 7 goals for the season, Ava and Edie scoring 2 goals each for the year. During the year Bessie, Sophie, Anna, Hannah, Edie, Yanna, Rhiannon, Abi, Adelaide and Jasmine all had a game or more playing for the under 15s team as well.

The girls improved individually and as a team throughout the season.

Under 13 Girls

Our defence was solid and we played most games without a goalie. By the end of the season we had improved on our early tackling outside the circle, interceptions, and defensive talking. Our 16 yard hits were stronger and accurately passed to our players. In 2019 the players need to focus on improving their marking when in defence and have a goalkeeper for every game.

Our midfielders had great speed which they used well to intercept and dribble the ball past the opposition. In the second half of the season we had improved the strength of our passes, we just need to work on the accuracy of our passes next year and the confidence to keep running forward to get the next pass.

Our forwards improved with their positioning and started to understand where to move to for the next pass. Next season we need to work on our strength, positioning and confidence when we have the ball near the circle and in the circle when having a shot.

Some highlights:

Abi's continuous running and backing up to intercept balls and her strong passes;

Adelaide's goal keeping and when not in goals, her speed and strength dribbling the ball and working on looking for a player to pass to;

Anna's strength on the ball, and movement to half back for a change with some great attacking movement into the attacking goals;

Ava's goal in the last game – strong movement with the ball and a controlled drag in front of goals to move the goalie, and a strong push to put the ball in the goal;

Bessie's strong tackles in the middle of the field and great passing to our forwards;

Eddie's determination in the attacking circle to score her goals and great drags from left to right;

Esther's quiet determination, sneaky tackles and working back into defence to help;

Emma's enjoyment when playing forward and her great listening and marking of players when asked;

Fredi's improvement playing forward and understanding where she needs to be, great passing and running forward;

Hannah's great marking and positioning at half back, great tackling and moving the ball forward in attack;

Under 13 Girls

Jasmine's requests to play nothing but centre striker but being able to play anywhere she was put, including full back;

Maddy's willingness to have a go where ever we needed her and to score a winning goal in one of our matches;

Rhiannon's enthusiasm to play every week, even with a sore thumb, and to make the reserves list for the southern under 12s team;

Sophie's ability to read the play to intercept the ball, running out on short corners and fantastic passes to our inners on 16yrd hits;

Yanna's improvement in her foot work and positioning in front of the defensive goals leading to fewer goals in the last couple of games in the season;

Thank you - girls and families for a great season. Thanks also to Ryan and Ellie for helping out with coaching while I was away.

For season 2019

Families: Please think about helping out with team managing, match managing during the season (information and teaching will be provided); Ryan Brook will be coaching the under 13s with some assistance from some of us who've been there before;

Girls: Bring a friend who hasn't played hockey before to the free Junior Development Clinic;

Challenge yourselves to learn some new skills and to try a new position on the field;

Keep having fun!

Christie Lucas (Coach)

Under 15 Boys

2018 Premiership Winners

Under 15 Boys

The Under 15 boys had a very successful 2018 season, and adapted to two new coaches better than we could have asked. Learning various types of hockey processes throughout the year and then being able to execute them.

The best game that the boys played was the grand final, where the boys came up against last year's premiers, the undefeated Diamondbacks. The boys got an early 1 goal lead through a spectacular buildup play from Lachie Rogers and then brilliant composure saw Luke Palmer slot one past the keeper. The game then settled and proved to be a tough fought out, and quite possibly the longest nail-biting game that anyone has ever witnessed, with each player being the key to winning the game. It was a great way to end a positive season, well done boys and good luck for the season of 2019.

Dan Mills & Sam McCulloch (Coaches)

Under 15 Boys

The Premiership Winning Team.

Lachlan Cooper – Agile and athletic goalkeeper, saved us on many games. The first time we heard his voice was when he had to call out the names for the medals.

Caspar Warden – Solid rock in defense, with always something witty to say and a lack of high-fives.

Aidan Terry – Moved from OHA during the year and proved a handy pick up slotting into defense well and always giving positive encouragements.

Max Larkin – Usually plays in goals but has found his feet as a brick wall in defense with rather large overheads. Shocking top knot though.

Tali Gee – One of our more versatile players who found himself in almost every position throughout the year and being able to perform well in each one of those.

Charlie Waddington – Scored his first goal when he was moved up front, but was a shame we didn't see more goals out of him because he liked his comforts of locking down players down back!

Ned van Dorsselaer – Always wanting to get out onto the pitch and have a crack which is always great to see.

Tom Rasmussen – Quality midfielder with the ability to break lines and blow the game apart.

Lachlan Rogers – His slick skills saw it almost impossible for defenders to be able to tackle him.

Luke Palmer – Very consistent player with a bucket load of skill and a knack of finding the back of the net, can always rely on him scoring 1-2 a game.

Oscar O'Donoghue – Always listening and learning, very hard-working player and gives everything a go. Also has a better top Knot than Max.

Fergus Grant – Nifty and fast striker who scored one of the best deflections the hockey world has seen.

Angus Broadby – Go-to striker with good skill and is still developing his game, will be a force to be reckoned with in the years to come.

Matthew Brook – Always willing to learn and get out onto the pitch, has come a long way in 2018.

Edward Broadby – Youngest in the team and often stepped up from u13's but didn't look out of place, was never scared to give anything a go.

Under 15 Girls

A very young U15 team showed dedication and determination every Friday night. No matter what the score or how many players we had each week giving a team performance to be proud off.

Overall, it was a tough season for the girls, I am sure the girls have learnt a lot and will use this seasons experiences to excel next season as they will be older and more experienced.

The girls moving up to U18 will be a great asset to the team and missed in the U15 team.

Not all games were reflected by the score. Some games were very exciting, with great build up play going towards goal but not being able to get the ball in the back of the net due to good goalkeeping from oppositions. If the girls had a goal keeper behind them, then the scores would have looked very different. It was a pleasure and a lot of fun to coach the girls, always keen to learn and improve upon their hockey skills.

Thank you to Ryan Brook, Christie Lucas and Lisa Jotic for all their help each week.

Under 15 Girls

Team forwards

Lottee Mansfeild – always keen to learn things or try new positions. Very consistent each week.

Abigail Lucas - so much energy every match always giving 100% and creating excellent opportunities up front from skilled play or good passing.

Bella cox - showed great enthusiasms wanting to get involved in each game as much as possible. Making a great transition from half back to forward to playing the last few games in Middlefield allowed Bella to get involved and make a positive impact on the game.

Team midfield

Lucy Munt - held the midfield every week with great defensive and attacking ability. Giving each game her all.

Chloe Harrington - ran here socks of every game and never gave up. Showing great work ethic every game.

Bessie Harman - strong tackles and big hits from the back of midfield through the pitch creating good goal scoring opportunities for the girls.

Team defence

Neve Mason – A valuable member to the team showing strength at the back week in and week out in every match.

Anna Hensher - showed amazing skills every game managing to get the ball out from half back.

Ellie New (Coach)

Under 18 Men

GRAND FINALISTS

2018 was an exciting year for Canterbury, with a focus on youth development and the cultivation of a strong club culture. Nowhere was this more apparent than in the u18 men's team. With an outstanding five 18s players in the current premier league squad and a further seven playing in other senior grades, the stage was set for a big year for the lads.

Under 18 Men

A strong start to the season saw the team sitting undefeated after 10 games. With Fraser, Fletcher and Max Doyle combining to make a near impenetrable defensive wall in front of the indomitable Will Merritt, and Lewis Benbow scoring in a staggering 8 consecutive games. Our defensive/midfield triumvirate of Vince, Miles and H-J was second to none in the league and their tireless efforts stifled many an opposition player.

A mid-season trip to the moon for star midfielder Alex Hogan-Jones as well as an injury to Merritt in goals threatened to derail the season heading into the last few rounds. However, these absences provided opportunities for others, as the likes of Jamie Innes, and Elliott Beswick and Tom Rasmussen provided a tireless midfield engine room and our resident wizard Ben East asserted himself as one of the best ball carriers/distributors at the club. It was our attackers that displayed the most improvement however, with Ryan, Adam and Harry's and positional fluidity and aggressive pressure helping to create numerous goalscoring opportunities and Ewan's slick ball handling skills causing headaches for many otherwise capable defenders.

The season culminated with a final round robin victory over our rivals OHA – their first defeat of the season and was followed with a second consecutive victory over them in the semi final a week later. Special mention to our striker-turned-keeper and finals MVP Max Larkin, who put on an absolute goalkeeping clinic in both games, much to the delight of the crowd.

Unfortunately the final didn't go our way with OHA narrowly beating us to the silverware. Our record of two wins, two draws and two losses against OHA throughout the season should showcase just how close the rivalry was, and on any other day it might have been us crowned as champions – the lads definitely deserved it.

Shout outs to Lachie Rogers for filling in for us (and dominating – keep an eye on this one!), Alex Hamilton, who unfortunately was not able to play this year due to injury, and the parents and fans in the crowd - your support was very much appreciated!

It was an absolute pleasure to coach the u18s this year, many of whom I have played and trained with for years and a handful that I have been coaching since u13s. I'm looking forward to seeing your continued development and the success it will no doubt bring to the club.

Lachlan Oakford (OBO) Coach

Under 18 Women

This year's season was one where enjoyment outweighed results. HT's decision to have two divisions and some clubs deciding to take the easier road via Div 2 meant we were up against it every week. However, we did manage one win and two draws and got to play finals.

The team theory of ensuring that a good chat was had before the game was maintained. This meant that the principles of outletting or pressing were given similar weight to the developments in Love Island, The Batchelor and Batchelor in Paradise.

The team

Jane Hickie: Thanks Jane for donning the pads in the last half of the season – hope to see you next year with or without pads.

Georgia Cooper: Great season, was the team's inspiration at times. Either as full back, centre half or kicking back you starred in every game.

Kat(harine) Rowell: A consistent season and your willingness to eliminate players continues to grow.

Under 18 Women

Saffy Warden: Our team was so much the better for having you Saff (on and off the field). A big contributor to the social side of the team.

Matilda O'Donoghue: Big improver and it was great to see your confidence and 'quiet' determination grow through the year.

Ebony Haley: Bonnie you have pace to burn and a little more strength on the ball and you'll be a gun.

Maggie Green: It's a pity injury stopped you from playing a whole season. You have improved a lot and have become a really good, consistent player.

Chloe Abel: You played most positions this year, including goalie!. It was good to give you exposure to playing ½ back and full back. Your overheads were awesome but work on keeping low and strength on the ball.

Jade Gluskie: Jade your enthusiasm is incredible. Just need to work on ball speed and learning to read the play and big things could be in front of you.

Daniela Nation: Well done Daniela on your first season of club hockey and you really improved during the season. Keep working on your basics, particularly your hitting and tackling.

Lucy Rowell: Lucy a good consistent season, and your ability to channel and tackle is making you into a very good defender.

Mia Cooper: Your team approach is really appreciated. Your ability to play anywhere and read the play is incredible. Good season.

Nellie 'Gilly' Gillespie: Proved very handy in defence and midfield and especially as a forward.

Meg Pointon: Solid forward and half back, with good speed, hope to see you next year.

Alice Cottier: Good season Alice, always prepared to compete, tackle and win the ball. Your social contribution was appreciated by many especially Saffy.

Tilly Barker: Great to have you back Tills, you haven't lost it. Pity you couldn't show more aggression, footy is making you soft. Be awesome if you come back to play seniors instead of playing that other sport.

Kate Hughes: A couple of cameo appearances, still showed you have it.

Grant Cooper (Manager): Thanks Grant for all your efforts, we would not have been the team we were, if it was not for you. Long season but we got there.

Rob Rowell (Coach)
